

2008 Domestic Violence Awareness Walk/Run

Pledge to make a difference

Thank you for partnering with the Marion County Domestic Violence Council in ending the silence about domestic violence. Another great way to show your support is by collecting sponsors that will pledge money for you to participate in this event. Pledges can be in the form of a one time donation or through a fixed pledge for each kilometer that the runner or walker participates. (Registration fees will be waived for participants that collect over \$18.00)

To participate in collecting pledges please: **1)** Please print off and submit a registration form. Make sure to check the box indicating that you will be receiving pledges and submitting the pledge sheet and money on the day of the race. **2)** Print off this pledge sheet. **3)** Obtain sponsors and money. **4)** Bring pledge sheet and money to the race. **5)** If you did not collect \$18.00 in pledges, pay the remaining balance.
